

**Introduction**

This document is part of the documentation required to ask for a FAI/CIA Sanction for an official event. It helps the Organizer with the event planning, provide detail information to CIA Delegates to approve the event at the CIA Plenary, provide information to competitors and officials so they would be interested in attending the event, etc. so it is important that all information is completed.

Before starting to fill in the Sanction Application Form, you may wish to read the following documents to clarify any issues:

- FAI First Category Event Sanction Procedures or CIA Sporting Event Sanction Procedures
- FAI Sporting Code - Section 1
- FAI Sporting Code - General Section
- Protocol for FAI and CIA Sanctioned Events
- CIA Competition Operation Handbook

The NAC Letter of Approval needs to be sent together with this application and no later than the Plenary where the Sanction will be granted.

Please, take into consideration that not all information is needed for all types of events. So when the information doesn't concern your event, please write « not apply » in the respective field.

Please use the DDMMYYYY format for all dates in the form.

When the Sanction Application Form is completed, please send it to the FAI/CIA Event Development Service –EDS to start the Sanction Process

**Section 1 - Main Information**

All the information in this section is mandatory and need to be updated before the CIA Plenary where the event will be asking for a FAI/CIA sanction. No changes are allowed after the sanction is granted.

This section will become Annex C to the FAI Organiser Agreement, therefore ALL parts MUST be fully completed.
